

Summer Newsletter Survey

Thank you to all who responded to the “Our Faith In Action” parish newsletter survey. The newsletter is our primary means to regularly reach out to every parish household, and it is important to us to know how it is received. Overwhelmingly, respondents read it “Cover to Cover”. A large majority believe it should remain the same length, but a majority would like to see it published more frequently. We are looking into the schedule to see if this can be done. We also received a number of great comments and suggestions which are summarized below:

- Publish an article with contact information in the weekly bulletin prior to the next newsletter so if a parishioner wants to include information, they can go in tough in a timely manner
- Maybe profile a family in the parish or person(s) of the week. In general I like it as it is, especially the photos.
- Thanks for all your efforts
- Information in FIA is well put together. Thank you!
- Information of what the FIA Group does
- In Case You Missed it is important. Make these important people known to congregation (pointed to list of Stew. Comm.) P.S. Also names of greeters at the door with name tags
- I love it. I haven't been going to Church every Sunday. It keeps me connected and brings me back. Especially Fr. Cornell's article
- Include updates from the different ministries. Let people know when the deadline is for submitting articles. Have people submit Faith questions. I know this is more work, but OFIA is the only vehicle the parish has to reach all the members, even those who do not attend Mass often
- You do a great job - Thank you
